Kornitop 0.6.6.3 is out!

Download "kornitop 0.6.6.3"

The new version supports saving (exporting) your clipboard journal as a text file.

* To save the content of the "Clipboard Journal" make sure that the "Clipboard Journal" tab is active, then click on the "Save As" Button (see screen shot below). The "Save As" dialog box opens and you can choose where to save your file.

* To save the content of the "Note Jotter" make sure that the "Note Jotter" tab is active, then click on the "Save As" Button (see screen shot below). The "Save As" dialog box opens and you can choose where to save your file.

If you have installed the previous version and wish to upgrade without loosing your clipboard content, please follow the instructions below.

Make sure you uninstall the previous version.

Run the program.

Enjoy!
